Interactive Projector

Projectors... and more!

This is Interactive, done the EIKI way.

RICOH projection lenses.

Ultra Hight-Performance Philips lamp.

Interactive camera. EIKI patented interactive technology.

Comprehension, accelerated.

In Business. In Medicine. In Science. Real time annotation gets the big ideas across, fast. Annotate pictures, reports, body scans, on-line feeds, full-motion video. Call up preloaded shapes and effects. Even tap previously saved presentations.

Equations become revelations.

When inspiration hits you, or the class seems stuck, annotate, almost anything. From full-motion video to yesterday's homework, real time, on screen, even on-line. It is fully compatible with Android 4.4.2, Windows 10 and Mac os 10 software and teaching programs.

You've never sounded so Brilliant.

SMW-30 is presentation sound, done the EIKI way. Compact, easy to install, with a potent Class D amplifier. SMW-30 adds a high fidelity wireless microphone that automatically defers to the presenter's voice, over music, or other audio. Better sound, better understanding. Brilliant.
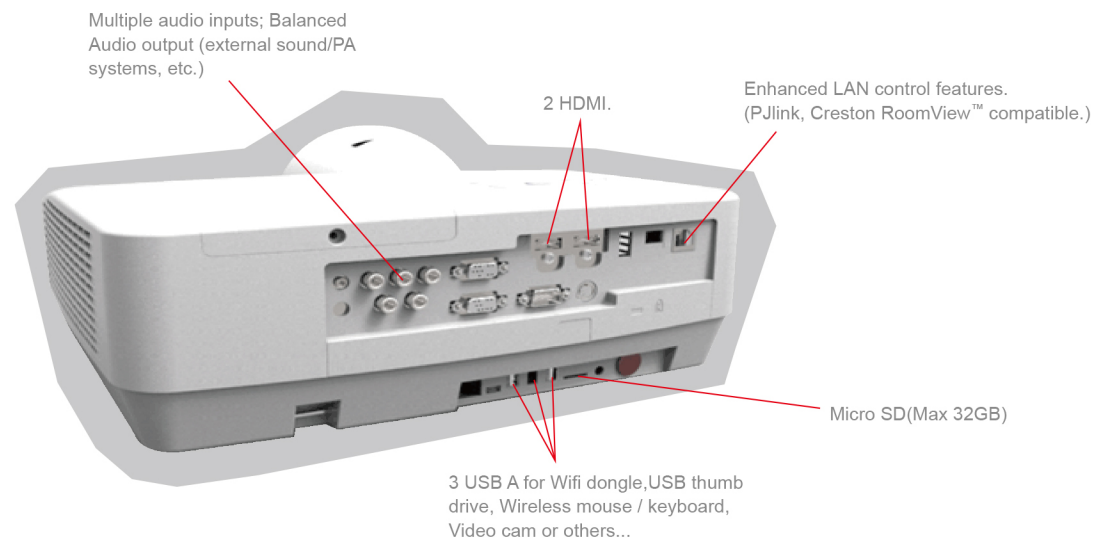

Multiple audio inputs; Balanced Audio output (external sound/PA systems, etc.)

2 HDMI.

Enhanced LAN control features. (PJlink, Creston RoomView™ compatible.)

Micro SD(Max 32GB)

3 USB A for Wifi dongle,USB thumb drive, Wireless mouse / keyboard, Video cam or others...
